The Anvil Herald and Fletcher's Farming hope to keep him advised as to conditions in this section for the year to come as the result of Mr. Bader's visit to this office.

A long wagon train passed through Hondo Monday morning, loaded with road-working equipment and camping outfit. This force was changing base from up about Kerrville, where it has just completed a road contract, to this county for employment. They were a little confused as to their destination, and after passing through the town, went east and will be employed on the Hondo-Castroville stretch of the National Highway.

BACK FROM CALIFORNIA.

Mr. and Mrs. C. W. Gilliam, Mrs. Isaac Wilson and little daughter, May Ruth, and Mrs. George Gilliam reached Hondo about 11:00 o'clock Tuesday night from Los Angeles, California. They came in a little before schedule time, and rather took the people here by surprise. Seven days was consumed on the homeward journey, while they were some nine days on the outward journey.

Mr. Gilliam says the trip was a most enjoyable one, particularly the homeward bound one. In their outward bound journey rain and swollen streams interfered somewhat with their pleasure. A rain and hail storm the first night out added to their discomfort. Taken altogether, however, it was a great trip and immensely enjoyed.

Gum-Dipped Cords Gaining New Fame for Service

194% Sales Increase in Last Six Months Shows Trend Toward Firestone

The public has emphatically spoken. The popular preference in all territories is unmistakably the Firestone Gum-Dipped Cord.

A standard of service has been set by these famous tires without parallel in the past. It has brought a sales increase of 194% for the past six months over the same period of a year ago—the greatest gain in all Firestone history.

The Firestone Gum-Dipped Cord is the mighty achievement which has enabled Firestone to break the tremendous record of past Firestone success.

The tire buying public has been aroused to the

results in economical mileage of the Firestone process of double gum dipping. The buying public toward Firestone shows how it has advanced the public's standard of the value.

Ask owners about Firestone performance on their cars. Note the big technical facts Firestone-equipped. Watch the new cars you see—just from the Firestone; Firestone Gum-Dipped Cords are seen everywhere in fast increasing numbers.

Get the maximum extra mileage that only the Firestone name assures you. Only by insisting on this name can you be sure of getting the genuine gum-dipped construction.

DIED.

Another one of Medina County's pioneers has gone to his last reward.

Mr. Louis Burger, aged 82 years, 5 months and 4 days, died at his home at Bader Settlement Thursday afternoon, May 10, 1923, after a lingering illness. He was laid to rest in the St. Louis Catholic cemetery, Castroville, Friday afternoon, Rev. Father Michael performing the last sad rites.

Deceased was born at Wittelsheim, Alsace, France, December 6, 1840. He came to this country with his parents and several brothers and sisters at the age of eleven years. They landed at Victoria, Texas, and came thence to Castroville, near which place he had since made his home.

He was married to Mrs. Matilda Riff (nee Bader) in the Catholic church at Castroville in 1872. His bride was the widow of a young man who had been killed by the Indians and who left her with a small son, now Joe Riff of Bader Settlement. Ten children were born to Mr. and Mrs. Burger. Nine of these survive to mourn his demise, one son and his wife having preceded him in death.

The surviving children, besides the step-son, Joe Riff, are: Mrs. John Carle, Anton and George Burger of Bader Settlement; William Burger of Dunlay; Mrs. C. H. Fuos and Mrs. E. W. Balzen of Sturm Hill; Mrs. Joe E. Tschirhart, Jr., of Noonan; and Henry and Hubert Burger of Peach Tree. Besides his children, 21 grand children and one great-grand child and two sisters, Mrs. R. Gross and Miss Angeline Burger of LaCoste,

are left to survive him. The pallbearers were: Josie and Ed Riff, Alex and Claude Tschirhart, Henry Carle and Melvin Burger.

A large concourse of mourning relatives and friends escorted the remains to its last resting place. We join in sympathy for the bereaved and grief-stricken ones. R. I. P.

DIPPING RECORD OF MEDINA COUNTY AND ADJOINING COUNTIES FOR THE MONTH OF APRIL, 1923.

County	Cattle Dipped	No. Infected
Medina	84,298	106
Frio	50,811	2,489
Uvalde	64,132	155
Atascosa	44,509	2,330
Bexar	96,366	1,258

This record was compiled by the Federal office at Ft. Worth, Texas.

I am proud of the work done by Medina County and think the people should be also. In fact, I think this is one of the best counties in the state and one of the most law-abiding as well.

I will ask you to continue to do your work thoroughly so that we may finish as quickly as possible. But remember you must do as the inspectors tell you, or we will hold some of you under special quarantine when we turn the rest loose.

Yours truly,
E. J. MURRAY,
Supervising Inspector.

YANCEY ITEMS.

D'Hanis Defeats Yancey.

The D'Hanis High School defeated the Yancey Tigers in a game of baseball on the local diamond May 9.

Oefinger pitched the first three innings for the Tigers, allowing three runs while the Tigers scored one. Bohmfalk, who was placed on the mound in the fourth, pitched good ball but it seemed as if the D'Hanis boys hit him at will. The Tigers scored one run in the second and three in the ninth.

Yancey's players made many errors in the out-field which helped the visitors to cop the game.

The batteries were as follows: D'Hanis, Zinsmeyer and Zerr. Yancey, Oefinger, Bohmfalk and Radetzky.

The High School Students of the Yancey High School were entertained with a house party at the home of Superintendent and Mrs. F. H. Patterson last Friday night, May 11.

On Sunday, May 13th, the Seniors were honored with a dinner at the home of Mr. and Mrs. Joe H. Burgin. On the same afternoon, preceding the dinner, the Baccalaureate Sermon was preached at the Auditorium by Rev. Beddoe of Devine. He delivered an eloquent and stirring speech and the school was very fortunate in securing his services. The graduation exercises will be preached by Rev. Gidley of Lytle.

IN REMEMBRANCE OF MY BE-LOVED GRANDPA BURGER.

Dear Grandpa, you have left us; Lonely are our hearts today; Death has of you bereft us, Taken you so far away.

You have crossed the dark cold river, Angels hold you by the hand, You are safe from storms forever, Safe within that promised land.

How we miss your gentle footsteps, Miss each kind and loving word, No more in this lonely household Will your tender voice be heard.

Dear Grandpa, how we love you, No pen can write, no tongue can tell, But the gentle Shepherd called you, And we must say farewell.

True, yes, true he was to all, Smiles forever upon his face; Sorrowful we looked upon him, Ere was given his resting place.

Gone, yes, gone! He has left us, Grandpa, forever we did part, Joy for sorrow does always come! Sorrow for us is very hard.

Left us! Yes, forever more, But we hope to meet our loved one On that bright and happy shore. By his grand daughter, LEE NORA TSCHIRHART.

CARD OF THANKS.

We hereby wish to thank all who sympathized with us in the death of our beloved father and brother, Louis Burger, and especially the neighbors, and all who attended and assisted at the funeral, and for the many beautiful and touching floral offerings.

Yours gratefully,
THE CHILDREN,
and SISTERS.

"Strong and Well"

"I WISH you could know how much I am improved since taking the Cardui," writes Mrs. Nannie Brown, of Black Rock, Ark. "You wouldn't know me for the same weak invalid I was before I took it. At my ... I had to keep off my feet or I would fail. I couldn't do my housework, and just got where I'd most as lief be dead as living. Some one told me husband of Cardui. He got it for me and I took three bottles before I stopped—then off and on for the last three years just as a tonic. I saw a decided improvement after my first bottle. I used the three, and was able to do my work with ease, and now I sew for my family and for others. I am feeling fine, and strong and well."

Mr. and Mrs. Fletcher Davis and children, Marion, Anne and Lucy, and Miss Mary Crouch, motored down to San Antonio Sunday afternoon to hear Miss Octavia Davis sing in a recital at the Lady of the Lake. Of course, the editor thought it was good—because of who was doing the singing—and it must have been for her school mates seemed to enjoy it most of all—and they are ever the most critical judges of all.

Prof. S. H. Saathoff and son, Joe Saathoff, were interested visitors to the printing office one day the first of the week. Prof. Saathoff has just closed a successful term of school at New Fountain, and says he is now looking for some one who wants a man to work—ostensibly that he himself may go the other way!

Fourteen carloads, seven in and seven out, comprised the carload shipments handled at the depot this week. Outbound, 1 car of hay, 4 of corn and 2 of live stock; inbound 5 cars of sand, 1 of mixed feed and 1 of cattle dip.

Mothers Day was appropriately observed by special services at the Methodist Church last Sunday. The pastor, Rev. A. M. Foster, paid a very feeling tribute to the power of mother love in the morning sermon.

Mr. and Mrs. O. H. Miller returned last week-end from their motor trip to Corsicana. Mr. Miller says that compared with all that vast section traversed, Medina County is the garden spot of the earth.

THE SENIOR CLASS PLAY.
From the Huajillo Leaf.
The Charm School, the Senior Class Play, is all that the name implies. One will eagerly follow Austin Bevans' career from the opening scene where he finds that he has inherited a girls' school to the end of the play where he finally solves all his problems by marrying Elise Bendotti, the president of the Senior Class. Especially amusing are the new professors in the school—Austin Bevans' best friends. One can hardly blame the school girls for falling in love with the twins, Jim and Tim. The former is dancing instructor, while the latter teaches the girls to play the ukulele. Then Dave, the lawyer, is one of the best history professors in the school, although the girls don't appreciate him; while George furnishes humor to the whole play with his frank, happy-go-lucky personality.

Besides these characters, there are the lovable Miss Curtis, the efficient Miss Hays, and the rich Mr. Johns. About these last two there is a secret. One must see the play and meet these characters and oh—those charming school girls. The opportunity will come Monday evening, May the twenty first.

The cast of characters is as follows:
Austin Bevans,..... Marion Davis,
An automobile salesman with ideas which
David Mackenzie,..... Origen Crow,
A law student, considers impractical though
George Boyd,..... Will Earnest Newton,
An expert accountant, is willing to co-operate, and also
Jim Simpkins,..... Charles Brucks, and
Tim Simpkins,..... Bennie Bradley,
Who toil not and have never seriously considered spinning.
Homer Johns,..... Oscar Filleman,
is the guardian of
Elise Bendotti,..... Lucille Holloway,
The president of the Senior Class at a school presided over by
Miss Hays,..... Meda Crow,
Who is loved and feared by all who know her, including her secretary
Miss Curtis,..... Stella Mae Willis,
Who is always trying to think well of the Senior Class, consisting of:
Sally Boyd,..... Clara Filleman,
Who is George's sister, and
Muriel Doughty,..... Lorene Merriman,
Ethel Speloin,..... Lottie Holloway,
Alix Mercier,..... Anne Davis,
Lillian Strafford,..... Frances Neuman,
Madge Kent,..... Irma Haegelin,
It is hardly worth while to mention a Junior,
Dotsie,..... Jerry Fusselman,
Who is always in the way.

NOTICE.
My horse, Quannah Parker, pure-bred English Sire, blood bay, will stand the season at the Louis Rieber farm, two miles north of D'Hanis. Price \$12.00, six dollars down, balance on arrival of colt.

WITH THE DRILLERS.
But little of consequence has occurred, so far as we have learned, the past week, among the drillers.
A party of visitors drove down to the Ina Oil Company's well last Sunday afternoon, and brought back encouraging reports of what they saw. The drill in this well had reached a depth of approximately 875 feet at the time of their visit. They reported little pools of oil standing on the slush pit, and the vicinity of the well permeated with oil odors. Driller Brown lowered the bailer while they were there and brought up a showing of oil. We understand the promoters are sanguine of bringing in a pay proposition before a great while.
There is a rumor to the effect that Fritz Fuchs will move his drilling outfit to a new location, and make another effort to locate a paying well. The report is that he will sink two more tests before abandoning this field. He is looking after his oil interests in other fields, and the report could not be verified. Mr. Fuchs, from his first visit to this section asserted his belief in the existence of an oil pool in this vicinity, and he is not yet convinced to the contrary. We have not learned the probable location of the two new tests.
But little information has come from the Francisco drillers. The last reports were to the effect that the Young people were bailing, but with what result we have not learned. It is rumored that this company will shortly spud in a new test in the Ben-dele tract.

SIMON ROHLF PASSES.
Simon Rohlf, whose death occurred Friday of last week, May 11th, 1923, was a native of Germany, and came with his wife and two sons, Henry and Amandus, some 45 years ago from Hamburg to Medina County where the family located at Quihi. Mr. Rohlf engaged in farming, was also a good blacksmith, carpenter, shoemaker and mechanic.
The funeral took place last Saturday at Quihi cemetery, Rev. Gus. Muennink officiating. The large concourse of mourning relatives and friends gave evidence of the high esteem in which the deceased was held by his neighbors and friends.
Besides his widow, he leaves six children, Henry of San Antonio, Amandus of Verdina, Mrs. Louis G. Heyen of Verdina, Mrs. Fred F. Muennink of Live Oak Slough, Mrs. E. M. Breiten of Hondo, and Mrs. Henry Gerdes of Warren, Arizona, 22 grand children and one great-grand child, one brother, Henry, of San Antonio, and one sister in Germany.
For a year, Mr. Rohlf was in poor health and for the last six months he was confined to his bed.
A good man and a law-abiding citizen has gone to his reward. Peace to his honored dust, and may his loved ones find that solace which comes to those who hope.

RESOLUTIONS.
From the Huajillo Leaf.
Be it Resolved by the graduating class of 1923 of the Hondo High School, in meeting assembled:
1. That we heartily approve and commend the action of the Board of Trustees in selecting the Lutheran church as the place for the baccalaureate sermon. We feel that this is a compliment to the citizens of this town who are members of that church and a deserved recognition of the sturdy qualities of patriotism and public spirit which they have always manifested in their attitude toward the best interests of Hondo and its people.
2. That we likewise unqualifiedly approve and endorse the selection of Rev. Mr. Grueber, the pastor of said church, as the minister to deliver the baccalaureate sermon to this class. We approve it as a wise selection, because he is well fitted for this post of honor from the standpoint of educational qualifications as well as by reason of his broadmindedness and spirit of liberality and true Americanism, which renders him a valuable asset to the town and its public institutions.
3. That these resolutions be printed in the Huajillo Leaf.
The above resolutions were adopted by the Class of 1923 at a meeting held May 11, 1923.
F. Marion Davis,
President.
Clara Filleman,
Secretary.
